AM. REC. 1932

PREFACE.

The present volume is number twenty-two of an Alphabetical Index of the Births, Marriages and Deaths recorded in the city of Providence, and is the third of a set of three volumes containing an index of the births, marriages and deaths recorded in this city for the years 1921 to 1930, inclusive.

It is an index of the marriages recorded for the above named years. It is printed from a card index which is made as the marriages are recorded. It will appear in two parts. This is Part II.

The following table shows the number of marriages performed in Providence each year from 1921 to 1930, inclusive, and also the number of marriages recorded of persons who were residents of Providence but were married elsewhere.
